

New Crib Standards

Published Date:
December 28th, 2010

Compliance Date:
December 28th, 2012

Part III Consumer Product Safety Commission

16 CFR Parts 1219, 1220, 1500, et al.
Full-Size Baby Cribs and Non-Full-Size
Baby Cribs: Safety Standards; Revocation
of Requirements; Third Party Testing for
Certain Children's Products; Final Rules

A copy of this standard can be found by pasting the following
into your browser:

<http://www.cpsc.gov/businfo/frnotices/fr11/cribfinal.pdf>

Key Information:

- All cribs must be compliant with new safety standards by December 28th, 2012
- The new standards apply to all child care facilities and family child care homes
- New safety standards apply to both new and used cribs.
- All existing cribs (full-size, compact, drop side and fixed side) must be replaced with new compliant cribs by **12-28-2012**.
- Retro-Fit kits for drop side cribs are **not** acceptable
