**A guided work day to develop your
2012-13 Professional Development Plan.**

- Ready to develop your professional development plan for 2012-13?
- Need support for developing a cohesive plan?
- Looking for a process to identify your pd needs?

**Join us on March 6 and leave with the core
pieces of your PD plan developed.**

**Make a plan for training and
implementation**

Metro ECSU will guide you through a process to:

- Assess your site's current professional development needs.
- Identify and align current implementation of initiatives in place with your school or district improvement plan.
- Design your 2012-13 Professional Development Plan.
- Develop a system of implementation support.
- Establish strategies to evaluate implementation.
- Create a framework for your summative report.
